BLCS Tuition vs. Actual Cost

Tuition for the 2023-2024 school year is less than the actual cost to educate each student at BLCS. The actual cost per student is based on the core expenses of the school; faculty and staff salaries, supplies, and day to day operational expenses. The actual cost per student vs. the tuition will leave an approximate \$75.00 per student gap based on previous years enrollment and expenses.

BLCS Tuition Assistance

Available for families who do not qualify for any other scholarships. Please contact the BLCS Office at 727-862-6981.

HSA Family Volunteer Hours

The Home & School Association supports Bishop Larkin Catholic School through volunteer and fundraising activities. Families are required to volunteer a total of 20 hours per year by helping with various activities, fundraising and community events. If the 20 hours are not met a \$30.00 charge per hour will be billed through FACTS for the remaining volunteer hours.

BLCS Mission Statement

Bishop Larkin Catholic School honors our past, embraces our present, and envisions the future in a Christ-centered learning environment that fosters spiritual and academic growth. We work in partnership with our parents and parish communities to inspire students to flourish in the Catholic traditions of compassion, service and leadership.

Tuition Assistance Available

All assistance is based upon application approval through the actual program.
